Re: *Northeast Energy Direct Project Public Forum – Windham, NH*

Mr. Fore:

On behalf of the Board of Selectmen I send this to respectfully extend an invitation to representatives of Kinder-Morgan to attend a public forum on March 30, 2015 here in Windham. The Board of Selectmen has arranged this meeting to facilitate an opportunity for the public to offer their input or concerns regarding the project to their local and State legislators. It is our hope that Kinder-Morgan can be available, as well, so that you may gather additional, Windham specific concerns for consideration as the project progresses.

The meeting is scheduled to begin at 7:00 PM at the Windham High School, 64 Londonbridge Road; and should you or your designee be able to attend, I would ask that you please advise me of such at your earliest convenience.

In closing, I thank you for your time and consideration of our invitation. Should you have any questions, or require any further information, please do not hesitate to contact me at (603) 432-7732.

Very truly yours,
